## *Crossing Over*

*Oh please don't feel guilty  
It was just my time to go  
I see you are still feeling sad  
And the tears just seem to flow  
We all come to earth for a lifetime  
And for some its not many years  
I don't want you to keep crying  
You are shedding so many tears  
I haven't really left you*

*Even though it may seem so  
I have just gone to my heavenly home  
I am closer to you than you know, just believe  
That when you call me I will be there right next to you  
I know you long to see me, but there's nothing I can do  
But I will still send you messages...  
and hope and hope you understand.  
That when it's your time to cross over  
I will be there to take your hand*

## *To My Sister*

*When we were growing up we had our share of arguments  
But somewhere along the way all that change...  
And now as we share the good times and the hard times  
I know that there's something even nicer, than sisters  
And that's being friends...*

### Moma

We remember how you helped us  
to grow with love, truth and honesty  
The greatest moma we love you so much  
But Angels came and took you away.  
And tears we shed only for you moma Everyday  
With all the pain of we are going through missing you  
We remember you are here with us... its true

## *Change of Address*

*I just wanted to let everyone know that I moved. I was called on, then received by my Father. To my precious loved ones, I planned to be here a lot longer, but God informed me that my new home was ready and I could move in immediately.*

*Now that my new home is finally finished, it is a beautiful sight to behold. It is located in an exclusive area, just off of Serene Celestial Shore, and it sits behind a beautiful pearly white gate. Of course, the streets are paved with gold and everyday is Sabbath. There is sweet serenity every-where. There is so much Peace, Love, Joy, and Happiness here. There is no pain to bear, no struggles, strife or discontent.*

*Now we all know that I can go on and on about my new home, but I have to get fitted for my new wings!*

*Let me give you my new address:*

*Everlean Greer  
7 Hallelujah Way  
God's Kingdom, Heaven*

*P.S. I don't have a phone number yet,  
But just call on God and ask for me.*
